Hello I am Connor (Brice849). I wish to join TWK gaming because everyone is actually nice and everyone plays fair. I love this server and hope to play on it for a long time or maybe forever! What I see here is a great community and staff and good players. I hope I get accepted and hope to see you all on the server! 😊

Rights have been sorted.

It has to be said.. I think this is the best application we've had for the Minecraft server, EVER, so welcome to TWK and Enjoy your stay 😊
