

I want to join!

Posted by xman7201 - 16 Nov 2012 01:43

There wasn't really a format, but this is what I saw:

Steam Name: NA

Steam ID: NA

Reasons for joining: Upon first examination, this is literly the best server I have ever seen.

Servers where you play: I've played on over a dozen servers all of which I've quit or lost, so none.

lol yea that was the format for joining back when we had a css server 😊
sorted your rights, have fun
