I was wondering if there is a free spot as a Moderator and now just want to ask 😊

Like you can see im very active(10-25% of my time on the Server) and already know many comands so i won't Need any introduction in most of the plugins ^^.

I hope to get an answer fast sinercly SexBombe7 aka MrBombe7.

We'll say the same thing we say to everyone else. The only way to get to be a mod is by being picked. And we pick people that we think deserve it at the time. Asking gets you nowhere
