Minecraft server updated to 1.6.6 Posted by Tunes - 31 May 2011 17:35
OMG
OMG
OMG
OMG
NOTCHHHHHH Come on!!!
Ok, rant over yes, updated the server to 1.6.6 and bukkit 817, looks stable and a bit faster loading chunks so, lets see if I can a week or two to develop the new servers (yes, servers, maybe 1 or two more)
Now that I mention it, I intend to put out a new Minecraft server with this kind of funcionality.
Factions
Factions PVP
Hardcore survival!!
Ranked!
Levels, skills and stuff wow style
Runes
One of the reasons I've put the current freebuild server up, was to gather people to make the second one work!
So, soon, I'll post a thread explaining more about this conceptual (yet) MC server.
Till then, about more two weeks, too much work that puts food in the table <sup>9</sup>
