

may i be a builder?

Posted by pks_andrew - 02 Jun 2011 20:17

im new to twk gaming and i would like to be a builder

IGN:pks_andrew

and i would like to play on your server because it is hard to find a good server with a good community and great players and it looks like a place were i can hang out with other players and not get my pixelart/builds grieved thanks.
