The lack of replies deems this on need of a bump. So... -BUMP-

Um... Ponies.

Don't kill me...

i think its been mentioned in another post

ah here it is quoted from tunes

"Yes, for active people on the server and maybe in the future for paying folks, the premium level, since I don't really want newcomers having worldedit commands avail, so I made this new permission as TWK-Premium "

"The same you had before

Just I had to split regular newcomers from known trusted players"

Here ya have it 🍷
