

Minecraft 1.9.6 is out

Posted by Tunes - 11 Nov 2011 16:43

Hell yeah, another pre beta whatever release from Mojang 🤔

As usual, bringing it before the others do, the server is available to testing (vanilla) @ mc.twkgaming.com port 25590

Download 1.9.6 client here assets.minecraft.net/1_9-pre6/minecraft.jar

And the server fow who wants the pain assets.minecraft.net/1_9-pre6/minecraft_server.jar

Have it !

Bugs list here www.minecraftwiki.net/wiki/Known_bugs/Version_1.9pre5 marked with F are Fixed 🤔
