Who told you to give the master griefers your location... that was bound to happen

=====

Re: unban creeper1555 plz

Posted by Gimp - 26 Dec 2011 15:28

i didnt 🐸
max found me somehow (-1,1,000 coords hmmm) then we had 🐸 boat war 🐸
but other boats still need to be removed so they claimed one
needless to say, i didnt like the fact they were even hear me lol
