Well like I said, it's only random griefing that's not liked, because in the past people came on and all they did was wreck stuff. I'm not saying don't grief peoples' shit, I'm saying you shouldn't do it on a whim because you feel like it

@DommyBear: I was just on but got annoyed xD might join in a bit 🙄

I know it is, but it's protection against idiotic kids coming onto a server with the sole purpose to ruin other peoples' fun. That's all I have to say on this, because you obviously don't see my side. I'm more towards no griefing at all, because I'm a creative Minecrafter, not a survival Minecrafter, but each to their own
