Well he does have an account if I remember rightly. He was on the old creative server with me, and me and him were busy building so Space applied for him 🤔

Same, the only problem I think with people not properly coming on the forums, is, we have a lot of players on the minecraft server but only like 1 or 2 are active on the forums, not many of them ever really visit, it'd be nice having some new forum users 🤔

Some nice new forum users 🤔
I don't want any more pricks on here xD
