Well, just got to know Minecraft updated to 1.2.4, well our server is still in 1.2.3 and it may take awhile to get a bukkit release so, all I'm going to do is wait.

I anyone want's a copy of the previous 1.2.3 mc jar file, pm me.

Later folks!

The reason the jar is hard to find is because it's illegal to distribute it 😊  
but all my addons will be broken now
