

Team Speak

Posted by GeneralDonno - 17 Jul 2012 20:56

If you would to join us on teamspeak, then go to this link and download it 🍷

www.teamspeak.com/?page=downloads

Select the correct one for yourself and download. run the launcher then input the server info in
"connection - connect";

Server : ts3.killercreations.co.uk:10109

Password : twkts3server

Have Fun

Love STEVE 🍷

I think that TS server is down... Since we cut the contract with killercreations.

However, I might setup a ts (I know I've said this before) for us.

Nice free ts 😊
Hope they never look at it 😊
