Well as a thank to tunes we should make a donator rank for people who donate 5\$+ to tunes!

The donator rank could cointain:

- /tpa(Request to be teleported to a player)
- A basic survival /kit with a cool down of 24 hours so it won't be abused
- Faction power of 12 instead of 10 (3 deaths instead of 2.5 to reach 0 power)
- /KittyCannon
- 10 diamonds
- 250 crafts
- 10 McMMO levels of your choice
- Some more silly and useless commands like kittycannon if we find any 🤔

Tunes i'd love to give it a try and who knows maybe someone will donate to you 🤔

Maybe this could be what we give back to tunes and the server that tunes so kindly provides for us 🙄
