

White list and TWK Member,

Posted by Tonioventimiglia - 26 Oct 2012 00:17

I would like to be made a twk member on the server! 😊
Also it says I have to be white listed when I've been playing for a while? just logged out for a minute said i haven't been white listed yet? help me if you can 😊
Thanks.

The server is currently whitelisted as we're doing some things. It will be un-whitelisted soon

Dude, there is an edit button, and there is no need for spam! Also, if you'd have read other posts in the Minecraft section, you'll know why the server won't be updated to 1.4 for a while
