

Server Reset

Posted by nuckyi - 18 Feb 2013 02:08

I read some stuff the other day about resetting the server. Is this going to happen and if so when. Will we be able to get some stuff moved over or will it be a fresh start.

Well folks, the update is out!

The server will remain 1.4.7 until a decent bukkit is releases, as so, don't update the jar.

The moment I get a bukkit running the server will be reset.

ONLY the following plugins/stats won't be reset with the map:

-McMMO

-Money

-Permissions (hopefully)

Factions and faction money will be reset, invs will go down too.

Of course, by the time we reset the server, we'll notify and players can refund their factions money to start over.

Cheers folks!
