

Server Reset

Posted by nuckyi - 18 Feb 2013 02:08

I read some stuff the other day about resetting the server. Is this going to happen and if so when. Will we be able to get some stuff moved over or will it be a fresh start.

Well, it's back online with 1.5 and working mostly well

The spawn is leveled and terrain smoothed, all ready for action for our brave Admin builder to giver their touch to it!

Thanks for staying on!

Cheers!
