

## Wondering if I could be unbanned?

Posted by handyman124 - 06 Mar 2013 18:24

---

Wondering if I could considering you banned me for irritating and unfriendly yet I was on teamspeak being nice and you kept kicking me from the chat for no reason then banned me. It's been over a 2 month ban too + i've changed 😊  
I was depressed because my aunt passed away and I got heartbroken but i'm better now and nicer lol.
