I would like to become a next level up because I feel I deserve to be put up one. here are some of my skills

what are you good at: I like to build and I am a good builder as well I am also good at pvp and raiding and greifing and like everything in minecraft.

what do you like to do: I LOVE to play baseball in the okotoks League and I like to play call of duty and like all video games Also garys mod.

I Don't Know anything else, if you have anything else to ask me just ask me...

Thanks
