I dont think anyone cares, but well.

I hope to be able playing regularly on TWK again 😊

I was quite busy and are happy to be able joining again ;D.

Sadly, the server has to be down while im joining xD, but i waited about 2 and a half Months and can also wait for this short time ^^.

PS: i might bring some friends with me 😊

I know i came online like every 3rd day with MCchat, and checked my stats, but then about 2weeks ago my power got resetted, Faction resetted and my inventory cleared :/.

Thats also a reason why i am coming back xD, well i guess i have to start from the beginning but thats more fun then being OP as hell 😊
