

MINEWORLD IS ON FIRE!

Posted by MagicDazza - 10 Jun 2011 08:10

Some1 has put lava everywhere on the minecraft server "mc.twkgaming.com:25565"

Just had a look around and the hole of spawn is on fire, i was gonna try put it out but then BB wont work so I'll leave it the admins 🙄
also they have an extinguish command

Seriously wtf is the point in griefing a world people have spent so much time on. Where does it get you? no where apart from a ban from that server.

I have informed Tunes 🙄
expect the ban hammer to smash the world back in order soon 🙄

=====

Re: MINEWORLD IS ON FIRE!

tunes fixed it all 🙄
, was the new ghost guy

edit-good shout magic 🙄

xGhost_Panda is perm banned and blacklisted.

tags for search

minecraft ban xGhost_Panda lava griefer

Had to rollback to a backup from midnight, I also lost a few work, nothing serious.

stupid effin 🙄
kids doing this, there's no damn point in griefing i bet they got abused when they where younger : /
