Yeah gimp, what the hell is wrong with you?

meanwhile in tradorville

Well. if we already fooked up, might aswell harvest posts right?

You have no right to talk gimp!

What did i tell you, if youll talk or watch teletubies...Stuff..

I was actually using fraps to capture these. i believe the pictures are
c:/users/*userthingie*/appdata/roaming/.minecraft/screenshots

lol thanks.

an froggy gawd dammit teletubbies is awesome!!!! teletubbies>battlefield3 > 🤨
(for the record teletubbies is an awful show and has the ability to violently molest your mind but u suck froggy!)

teador i will bury you right next to frogys nipples in the obsidian castle > 🤨
