Erm excuse me! Think I need to put you in the picture a bit... there is only one person I actually love here and that has gotta be Colin... I just can't resist him in all his women's underwear! Those black stockings and pink frilly knickers (which still need cleaning btw Colin) are just to die for! Nothing else compares, and if you saw it to you would feel the same way, right Colin? 🙄

🙄

Oh, sorry for inactivity folks; damaged my back again at work, ended up in hospital for a few hours, I'm fine though, no no don't worry yourselves →→

muscular spasms around my spine, (just as i start my new job.. great)

Might be out of a job before the end of next week grr.

Gimp, we might forgive you if you fart rainbows.

Maybe.

Probably not.

Its worth a shot though
