

Stop grieving it!(a "giant toilet" this time...)

Posted by FroggyFace - 01 Aug 2011 08:56

Its damn annoying im working on this project alot of time and guess what i dont see progress because every time i login in i find it giefed in random ways!

please stop grieving it and stop building in it i spent more time on fixing it then building it!

i dont need people building "secret chest rooms" and doors in the castle! its a model of a real castle!

www.castles.org/castles/Europe/Western_E...a-Segovia/COCA-1.JPG

and some lovely pictures...

Warning: Spoiler!
