

## Some people... \*eyeroll\*

Hooray for people acting like spoiled little brats whilst calling others spoiled little brats...

Not.

Hooray for justice.

So, I logged on to Survival today to find yellowklayman had added a new member, aru\_azif (not sure what his name is on the forums, and can't be bothered looking). 'Oh, thats fine,' I thought to myself. 'I don't really mind.' I gave him no building perms or access to chests, 'cuz thats what I do when new people join NewZornia. Permissions are given when I know I can trust them.

'It's fine,' said klay. 'He's my friend.'

So I took 'LockDown' away from him, cuz I trust klay (if you're reading this, brohoof).

I went to check on what they were doing, and I found both aru and klay working on aru's house. There was a coloumn of tnt in his room, so I took it away for 2 reasons. 1. Anti-Griefing. 2. Against the rules of the faction. This is when he began his R3AG. I then asked klay if he could help me with some /region tests (I suck at /region >.

I suppose this is what they call collorfull imagination 🙄

let me point out a few mistakes in your post ^^

There's no rule in your faction ( not on the boards that are there ) that i wasn't allowed to have tnt 🙄  
Yes I actually took the time to go back and read it again I could have been wrong on that but alas i

wasn't.

you also forget the way you acted/talked to me 😏  
Wich was in the same way of that of a spoiled brat.

and lets do some talky talky about the admin part 😏  
last time i checked you said that dissing an >admin< yes you only said admin was against the rules and that you could kick me for it. no nothing about faction admin. so please don't say that you did say that what would people think if they knew :O

so yes it could be that i was a bit harsh on you with the way i reacted back on your misbehaviour. but in my honest opinion i didn't feel any reason to stay so i packed my stuff and moved on 😏

you after ask what i got against you i carefully explain it to you where after i get the same question but 20 mins later wich in response i tell you that i am not going to answer it a second time. well you then start with pleases and god knows what other boohahaha didn't really pay attention on it anymore. and sorry are we gonna falsly accuse people now ? i didn't raid anybody i merely took some red out of the shared chest and smelted some cobbelt in the furnaces after wich i replaced the coal. so don't start spreading things that aint true.

i hoped i answerd all your &quot;questions&quot;;

have a nice day

so please don't accuse
