

Some people... *eyeroll*

Posted by Zorninphel - 09 Aug 2011 19:55

Hooray for people acting like spoiled little brats whilst calling others spoiled little brats...

Not.

Hooray for justice.

So, I logged on to Survival today to find yellowklayman had added a new member, aru_azif (not sure what his name is on the forums, and can't be bothered looking). 'Oh, thats fine,' I thought to myself. 'I don't really mind.' I gave him no building perms or access to chests, 'cuz thats what I do when new people join NewZornia. Permissions are given when I know I can trust them.

'It's fine,' said klay. 'He's my friend.'

So I took 'LockDown' away from him, cuz I trust klay (if you're reading this, brohoof).

I went to check on what they were doing, and I found both aru and klay working on aru's house. There was a coloumn of tnt in his room, so I took it away for 2 reasons. 1. Anti-Griefing. 2. Against the rules of the faction. This is when he began his R3AG. I then asked klay if he could help me with some /region tests (I suck at /region >.

AL Azif wrote:

I suppose this is what they call collorfull imagination 😊

let me point out a few mistakes in your post ^^

There's no rule in your faction (not on the boards that are there) that i wasn't allowed to have int
Yes I actually took the time to go back and read it again I could have been wrong on that but alas i
wasn't.

you also forget the way you acted/talked to me
Wich was in the same way of that of a spoiled brat.

and lets do some talky talky about the admin part
last time I checked you said that dissing an >admin< yes you only said admin was against the rules and
that you could kick me for it. no nothing about faction admin. so please don't say that you did say that
what would people think if they knew :O

so yes it could be that i was a bit harsh on you with the way i reacted back on your misbehaviour. but in
my honest opinion i didn't feel any reason to stay so i packed my stuff and moved on

you after ask what i got against you i carefully explain it to you where after i get the same question but
20 mins later wich in response i tell you that i am not going to answer it a second time. well you then
start with pleases and god knows what other boohohaha didn't really pay attention on it anymore. and
sorry are we gonna falsly accuse people now ? i didn't raid anybody i merely took some red out of the
shared chest and smelted some cobbelt in the furnaces after wich i replaced the coal. so don't start
spreading things that aint true.

i hoped i answerd all your "questions";

have a nice day

so please don't accuse

Oh, how I do love responding to bitchy comments.

(each number represents a paragraph... if you can call the paragraphs)

1. After checking again, it appears I made a mistake. I am sorry. But, even after I told you, you shouldn't
have reacted in the way you did.

2. In my post I posted all but 1 thing I said to you. That one thing was after I came into your room and you said 'Did I give you permission?' to which I jokingly replied 'Your mightyful DerpLord always has permission! 6_9'. Question: How does this make me spoiled?

3. It takes a fool to believe I am the server admin when I do not have [TWK-Admin (or whatever)] before my name. However, it also takes a fool to believe I was talking about server admin when I am clearly the faction admin, with ** before my name. Also my name is Zorninphel and the faction is called NewZornia.

4. Finally, some sense. Although, if you actually thought this way you would have apologised and I would have said 'Fair enough, then.' and removed this thread.

5. That was to get a screenshot. Ain't I crafty.

5 & 1/2. Raiders never admit 🙄

6. Oh, shaddap and learn to use punctuation.

And, um... ?
