

Some people... *eyeroll*

Posted by Zorninphel - 09 Aug 2011 19:55

Hooray for people acting like spoiled little brats whilst calling others spoiled little brats...

Not.

Hooray for justice.

So, I logged on to Survival today to find yellowklayman had added a new member, aru_azif (not sure what his name is on the forums, and can't be bothered looking). 'Oh, thats fine,' I thought to myself. 'I don't really mind.' I gave him no building perms or access to chests, 'cuz thats what I do when new people join NewZornia. Permissions are given when I know I can trust them.

'It's fine,' said klay. 'He's my friend.'

So I took 'LockDown' away from him, cuz I trust klay (if you're reading this, brohoof).

I went to check on what they were doing, and I found both aru and klay working on aru's house. There was a coloumn of tnt in his room, so I took it away for 2 reasons. 1. Anti-Griefing. 2. Against the rules of the faction. This is when he began his R3AG. I then asked klay if he could help me with some /region tests (I suck at /region >.

Don't know if this will work as doing this on my mobile due to crappy sky.. if not will post tmoz.

If it works, enjoy!
