

UnBan

Posted by Lukey44 - 15 Oct 2011 09:23

Hey my name is Yacovitch on Minecraft and im really sorry about my skin it dosent mean anything, it wasnt a nazi sign aswell it was a iron cross.

The server i got banned on was mmo.twkgaming.com

If you didnt flame about it and didnt do anything else there might be a chance youll get unbanned...

Though you should listen to moderator, admin and the rules and do as they say... 🙄
