Hmmm .. /mischief ... Ami thinks nah!

Tunes is a very busy guy - he'll be on when he can

i hope I can be forgiven for my stupid mistake - I have got big elbows LOL

- i was really enjoying twk - it was my favourite server but hey ho i understand

(mum is just reading this forum - better go !!)

Maybe he has parkinsons... I can see no other way he could press enter whilst pressing keys. And was this with both elbows, one on the keys one on enter? And why would you lean on your keyboard anyway? This is...

I don't even....

🤔
