

Banned???

Posted by AfriendlyPaedo - 14 Dec 2011 16:35

Hey tunes, froggy, gimp or whatever.

Last night i was playing MC fine but then the next day i can't connect and it says the ban hammer has spoken please tell me the reason if it was an accident please unban 🙏

Hey Amitiel, although I don't want to sound rude or anything but, I have no clue who you are and I know you've only recently come back, so was just wondering who you are and what you do 🤔

P.S - I am VooDoo from the CSS servers 🤔
