Mess with Johan ... Mess with Ami!

Hey Amitiel, although I don't want to sound rude or anything but, I have no clue who you are and I know you've only recently come back, so was just wondering who you are and what you do 😊

P.S - I am VooDoo from the CSS servers 😊

Such a noob voodoo 😊

Shut up you damn dwarf... not my fault.. i have no idea 😊

Ami is the reason I joined this community in the first place. She told me about it back in the WoW days..
