

## cabrani is stupid

Posted by cosmogoblue - 08 Jan 2012 18:19

---

First he joind my party and i did not tell him the name. Then he teleported to me. The he set his home in my base. And then he claimed all of my land. Help me plz! 🙏

classic trick 🙄

nobody can help you sry, if you had too little power to keep your land its not our problem. try killing him or a member in his faction then claiming the land back when his power is low.

NO YOU BUFFOON.. this is the correct translation:

When your pizza gets stolen by a cloud, you have 3 tries to attempt to bug him for it back.
