

spam team

Posted by Gimp - 23 Jul 2012 22:31

Well we just had our first hacking/spamming/anythingtheycando team on the mc server. Didn't particularly enjoy it 😬
but they just stuck whitelist on and all was good 😊
So this doesn't happen in the future if you have time around the reset tunes can you install mcbans?
then all those noobs who are banned constantly for all that wont be able to join 😬

thanks 😊
