

Problem While Trying to Stack up

Posted by A Lazy Lemur - 15 Aug 2012 23:31

Whenever I attempt to stack up to reach a higher elevation, I seem to be shoved off entirely. I have spoken to another player, and they told me they experienced this also. It would be great if someone took a look at this problem.

Ok, it hasn't happened in quite a while now, so I think the problem may be fixed. I'll let you know if it begins happening again. 🙄
