1. I haven't been on in a while, so no idea who he is 🙄
2. Well, that's a valid opinion
3. If there's valid proof of griefing, people will be punished. Also, if people don't know about it, not a lot can be done
4. Yes, it's to prevent people joining the server and wrecking everything and just leaving (because you can't use buckets or TNT when you're a Player) and not being able to mine diamonds is an added incentive to get people to sign up

But, good luck in your future Minecraft endeavours 🙄

1. Have a complain about a player/faction, so do it in a proper manner and provide proof.
2. Twkgaming server rules.
3. see 1.
3. see 2.

I'm happy with what happens in the server, we like to keep it that way, other have other ideas, we have what you see there.

If you don't like, you are always free to find another one.

See ya!
