

Banned for duplicating ores.

Posted by Postal291 - 04 Jan 2013 21:42

Space_Cowboy001 found where AFriendlyPaedo was duplicating gold ores.

As I could find no record of this in the past, he's banned for 24 hours, and will have 90% of his iron and gold revoked by an admin as well.

Any further incidents of this nature will earn AFriendlyPaedo a global perm ban.
