

Minecraft statistics

Posted by Tunes - 08 Jan 2013 15:21

Sorry folks, had to disable Statistian plugin, I've updated the server today and it causes a loop somewhere, laggin the mysql like nuts and the server itself.

Also had to disable the access to it on the minecrat menu...

If it gets updated, I'll re-enable it again, until then, no stats.

Aww 🥺
, that thing was good in so many different ways.

Hope it gets updated :O
