

Friend Banned

Posted by AfriendlyPaedo - 17 Feb 2013 10:43

Dot4444, my friend , got banned for 160 hours and he would like to know why. I know you guys don't tolerate other people doing this however his account password is unknown to him and the email he registered his twk account with he is unable to enter.

I said it's allowed to take **valuable** stuff, not purposely destroy random stuff in order to flood the place with lava. Your week ban stays.

EDIT: Take note of [this post](#) .
