someone made a tnt cannon and blew a big hole in our base and me and pal5521 want to know if we can ban the person who did it. Me and pal5521 does not know who it was and i know about this because i was informed by pal5521 and the evidence is right outside of our base and we need a admins help to see if they can ban that person

ty for your cooperation 😊

oh and it was not used to raid it was used to simply destroy our chest so i guess that is counted as griefing

Cannons used to destroy chests, well, that's raiding, that's exactly the point of destroying a chest.

Also, there's an edit button in case you want to add something to your post, and we need ALWAYS coordinates via pm.

Thanks.

Little peasants who believe that blowing up chests or taking items from chest is griefing.. So annoying.

I am the one who blew up your chests and took all your items,

They belong to me.

Come find me. Bring me more stuff.

Im here at -170 65 620 🌞
