

Artifact mod!

Posted by Tunes - 26 Jul 2011 09:32

Well, here comes another one SP only mod for those who like to play them!

(The crappy image I was to insert here, for some reason out forum does not support a 19000 pixel height image... so check it on the mc forums 🙄)

And the full post and minecraft forum discussion here

www.minecraftforum.net/topic/136988-modw...-goal-for-minecraft/

wow that looks really good 🙄
I might try that when I get back home

ye me too 🤔
I was trying to download it last night but I then realised it wasn't out yet 🤔
