Reasons for joining: (brief explanation on why you want to join us)

Servers where you play: (Self explanatory)

Hey everyone jotsom here and I found this server during 1.1 and I liked it but I for some reason stopped playing it which was a big mistake. I want to join because its a awesome server and I really like the people on it. They are welcoming and help you out when you need help. I have played on many servers with factions but this one has factions that consist of friendly people.
