

SMP Access pretty please

Posted by PizzaDeliveryMan - 12 May 2012 04:37

Started playing your server recently and I have thoroughly enjoyed it; it is a quality server with great plugins and advantages. I would love to have access to all of it's great features and make this server even more enjoyable for me. Great job, and thank you.

~Yours truly, PizzaDeliveryMan

Rights sorted yesterday, sorry I didn't answered...

Anyway, welcome mate and have fun!
