Hey guys I'm sorry about my profile picture, i clicked upload and it automatically sent the verification so yea im not like scamming or anything, i usually have some Bruce Lee Gifs.

Anyways I'm pretty sure I'd like to play on your server, seems like a good group of people and i enjoy minecraft way more than i should but, i do try to do it moderation. IF you can see fit to accept my application. I won't let you down.

Peace Bros,

Arty
