

TWK-R Request

Posted by IcEbLiTzMeHh - 20 Aug 2012 01:37

Hey, my name is Arran. I've been playing the server for about half an hour and I already know I'm going to thoroughly enjoy my experience. All I ask from you guys is the rank and I'll be on my way with playing the server and contributing whenever I can. I'll get an avatar up soon.

Thanks,

Arran
