

TWK-R for Scruffy_Puppy

Posted by Scruffy_Puppy - 23 Nov 2012 02:47

Hey, Scruffy here. I'm interested in joining the server with a few of my other friends. I'm pretty good with Redstone as well.

I do have a question though, what are the rules on PvP and Raiding?

Sorted, have fun 😊

PvP-If you can see them, you can kill them 😊
and if you can't see them, kill them anyway

Raiding-It's allowed, their fault if the faction power is too low and someone can claim over. You can also tnt visible chests I think, but not nuke the base for the sake of it.

Exactly what Gimp said. The Griefing/Raiding rules are at spawn
