

## Whitelisting for mining DudewithPizza

Posted by DudewithPizza - 23 Nov 2012 02:58

---

Hello, I am new to country and would like to try the minecrafting, I know that in soviet russia mining was hard work for little to no pay and would like to be able to take home diamonds I find for to take to home country to pay for feed family mushroom soup. I will not be the grieving of the server or inappropriate behaving. The name of logging in is DudewithPizza

Good luck on your quest for diamonds. Many have tried, pretty much everyone succeeds. Sorted your rights 🍕  
have fun 🍕
