

## **TWK-R for Astinis**

Posted by Fitz - 11 Dec 2012 10:28

---

I am new to your server, heard good things about it from Renadragon and now im looking to become a full time member. She told me this would be beneficial to my experience and figured shes either trying to make me look foolish or its for real! So I'll keep this short. Everyone i know calls me Fitz so feel free.
