Some of you might remember me from the css server , just wanted to say hi and give a few details about myself 🍌

Played css for about 4 years but never got serious with it, im irish, not afraid to talk on vent/ts play some guitar and enjoy bands from 60s/70s/ and modern.

I'm 16 years old and going on 17 in 15 November.

Ok, so thanks for reading

🍌

And i used to some mapping as well
