Well, it looks like I'm going to join the 2nd team of this clan, so I have to say hey to the people in this clan  
👋

I already know most people in this clan, and have probably half of the members on my friendlist, but that doesn't matter 🤔

And just for the record, Snowy is easier to understand than Gazza 🤔

Hey Aizen - Welcome to the forums.

The 👋 fact you CLAIM snowy is easier to understand than me i take as a personal insult 🤔
