twk clan Posted by deN - 28 Jan 2011 20:58 So was just wondering if there are any activity within the clan (the ones that play 5on5) and if not, r u guys thinking of setting up a new team/starting up again? Interested so far: Den Liger M3ntoz Coolio Tin NOx Re: twk clan Posted by vapour - 29 Jan 2011 00:34 It's a possibility for the future that we might get back into that. But right now, pretty much everyone of our players is inactive except for me but i would hardly call myself active. Re: twk clan Posted by liger - 29 Jan 2011 01:03 i think with a good use of doodle we could do friendly matches once in a while. I know id like to do some like that
