

## massive thanks to slab

Posted by colin1uk - 01 Mar 2011 17:12

---

just like to say a huge thankyou to slab for fixing some of the probs i had on my pc , since my upgrades and diff op .

he jumped stright on teamviwer and sorted them in 30 mins , i would probably still be on it next week. 😊

What passwords? LOL 🙄

No worries mate 🙄  
Thanks for the post!
